

GES-5420

This extreme production soft serve freezer has two separate dispensing heads, allowing multiple crew members to dispense product at the same time. Electro Freeze[™] pressurized freezers are ideal for high fat mixes and will serve a smooth, creamy product consistently and reliably.

Multi-function LED Display
with manager smart tools.

Virtual Quality Management System[™]
monitors Temperature and Consistency to provide superior taste and quality.

Pump Forward Design

New pump forward design reduces maintenance and cleaning time.

Optional Sliding Tray Mix Storage

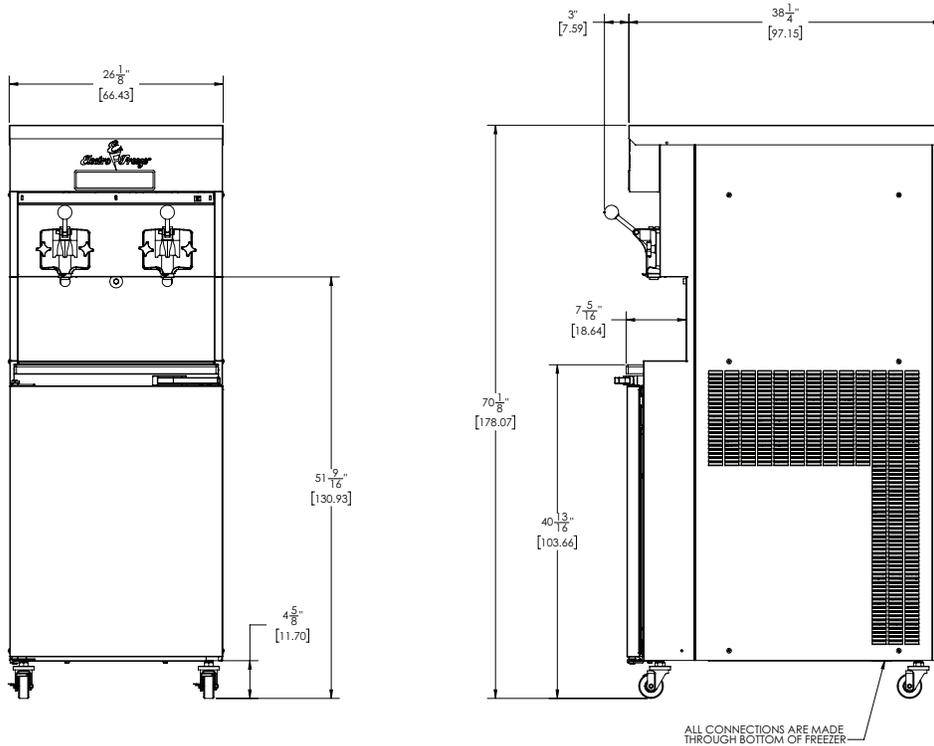

Mix tray slides out with mix containers in place which makes adding mix quicker and easier.

Self Closing Spigots
prevents the mess and eliminates waste

Scroll Compressor Technology
provides increased capacity, reliability and efficiency.

GES-5420 Soft Serve Freezer
