

# MODEL HDM75A ARTIC SWIRL® FLAVOR BLENDER

## FEATURES

Enhance your menu by blending candy, cookies, fruit, and more into soft serve, frozen yogurt, custard or hard ice cream with ease.

### Industrial-Grade ¾ HP Motor

Built for high-capacity operations, this durable motor delivers reliable performance under heavy usage; ensuring seamless operation and a healthy bottom line for your business.

### Belt Drive System

Designed for long-term durability, this system reduces motor strain by placing stress on an easily replaceable belt; extending equipment life and minimizing downtime.

### Mixing Shaft

Engineered for precision and efficiency, the mixer is designed to blend quickly without altering the product or cutting cups; preserving consistency and quality in every serving.

### Variable Speed Control

Provides operators with dynamic control, allowing for seamless blending and easy cleaning, optimizing workflow and efficiency in high-volume environments.

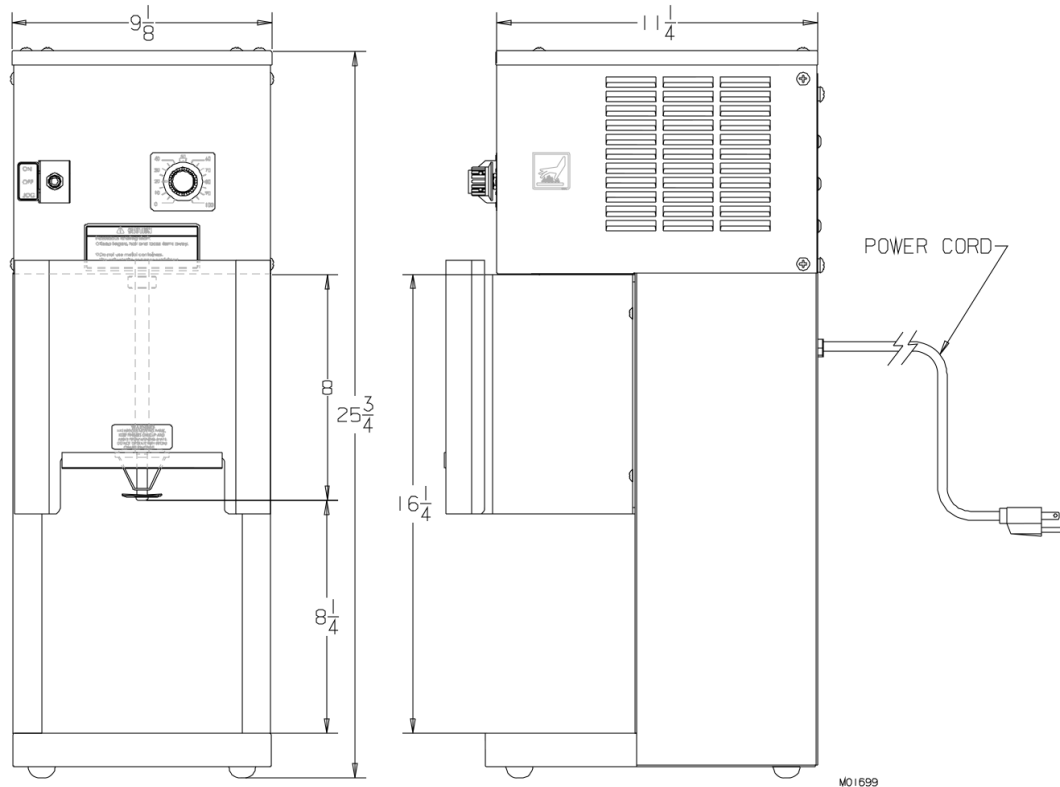

## PERFECT FOR

- Burger Restaurants
- Ice Cream Shops
- Shake Shops
