

MODEL CS900

GRAVITY FROZEN BEVERAGE FREEZER

FEATURES

This high-volume slush freezer delivers exceptional frozen beverages in a compact footprint.

High Capacity Hopper

Ensures fast, consistent dispensing of frozen beverages, maximizing output and minimizing downtime in high-volume operations.

Patented Torque Control Technology

Maintains consistency & product texture.

Easy to Operate and Clean

Designed for reliability, minimizing downtime and maintenance.

Washable Air Filter

Keeps the condenser clean for optimal performance.

Compact, Space-Saving Design

A perfect fit for any foodservice operation. Available as a countertop model or with an optional cart.

Innovative Auger Technology

Gently blends to preserve texture, consistency, and quality.

Long Lasting Scraper Blades

Durable reversible scraper blades minimizes replacements while ensuring a smooth, consistent texture for premium-quality frozen treats.

Optional Cart

PERFECT FOR

- High-Traffic Venues
- Quick Service Restaurants
- Resorts
- Bars
