

MODEL GEN-85 PRESSURIZED SHAKE FREEZER

FEATURES

Seamlessly blends syrups of your choice into a shake base while it is dispensed while delivering a premium product.

5 Flavor Options

Easily infuse flavor and adjust consistency at the press of a button.

Patented Mix Transfer System

The simplest and most reliable pressurized system available for consistent product flow.

Flexible Mix Holding System

Pumps directly from bags or mix containers for seamless operation.

Long Lasting Scraper Blades

Durable reversible scraper blades minimizes replacements while ensuring a smooth, consistent texture for premium-quality frozen treats.

Precision Control

The Virtual Quality Management System™ monitors temperature to ensure superior taste and quality.

Scroll Compressor Technology

Increases capacity, reliability, and efficiency; making your operation more efficient and cost-effective.

Innovative Auger Technology

Maintains optimal texture by gently blending and reducing agitation.

Exclusive Mixer Design

Simultaneously dispense and blend in flavorings; reducing servicing times, improving efficiency, and ensuring consistency.

Optional Remote Flavor Pumps

Store syrup jugs up to 15 ft away while mounting the pump box under a cabinet.

PERFECT FOR

- Quick-Service Restaurants
- Frozen Treat Shops
