

MODEL SLX400E

GRAVITY SOFT SERVE FREEZER

FEATURES

This freezer is designed to streamline your operations and ensure consistent, high-quality results. Serve smooth, creamy, and consistent yogurt, ice cream, custard, or sorbet every time.

Meets ADA Specifications

Making self-service applications accessible for all customers.

Twist Feature

Dispenses two separate flavors or an equal combination of both; providing versatile menu options.

Precision Control

The Virtual Quality Management System™ monitors temperature to ensure superior taste and quality.

Long Lasting Scraper Blades

Durable reversible scraper blades minimizes replacements while ensuring a smooth, consistent texture for premium-quality frozen treats.

Innovative Auger Technology

Gently blends for optimal texture and consistency.

Standby Mode

Reduces energy costs while maintaining safe product storage during non-business hours.

PERFECT FOR

- High-Volume Cafeterias
- Quick Service Restaurants
- Retirement Villages
- Frozen Yogurt Shops
